

Dear Satellite Beach Recreation Participants,

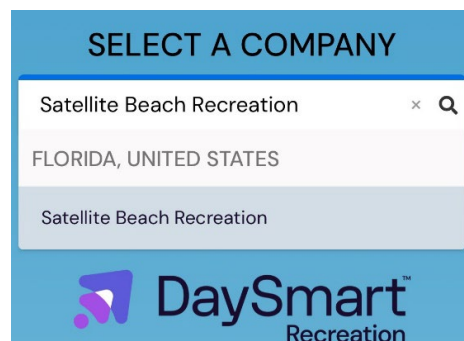

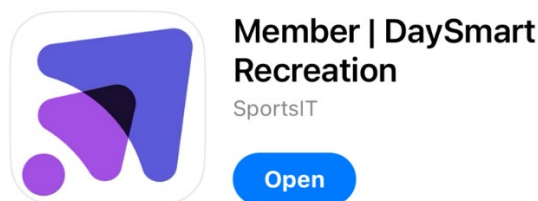

We hope this message finds you well!

We are thrilled to announce that The City of Satellite Beach is implementing a new and improved registration software for all our recreation programs. This upgrade is designed to enhance your experience, making it easier and more efficient for you to sign up for activities and manage your family's registrations.

Please note: Account creation and payments currently only apply to registration for classes and programs. If you have a 2025 facility reservation saved to your account, please do not make a payment towards it yet. We will be sending all contracts and payment invoices for 2025 facility rentals in September.

Here's what you need to do:

1. **Visit Our New Registration Website:** Please visit DaySmart Recreation at the link below <https://apps.daysmartrecreation.com/dash/x/#/online/satellitebeach> to set up your new account. This will allow you to access all the features of the new system.
2. **Create your New Account:** Following the steps [linked in the PDF here](#), create a new profile by making a username and password, entering your household's details, and saving the information.
3. **Add Family Members:** Once you have created your account, you can add members of your household to your profile. This will streamline the registration process for everyone who resides at your address.
4. **Download the Mobile App:** Search "Member DaySmart Recreation" on the Apple App Store, Google Play Store, or wherever you download your apps. The DaySmart Recreation app will be a purple arrow. Once the app is downloaded, you will type "Satellite Beach Recreation" in the "Select A Company" search Bar and select our organization. You will then be taken to the login screen to enter your new username and password that was created!

Why the Change?

- **User-Friendly Interface:** The new system is designed to be intuitive and easy to navigate.
- **Faster Processing:** Enjoy quicker registration times and more efficient management of your activities.

- **Enhanced Features:** Access new tools and features to better manage your participation in our programs.

If you need any assistance with creating your account or have any questions about the new system, please do not hesitate to call us at **321-773-6458**, or stop by the **Recreation Office** at **1089 South Patrick Drive, Satellite Beach, Florida 32937**. Our office hours are **Monday through Friday 8:30am-5pm**.

Thank you for your cooperation, continued support, and patience as we navigate this change together. We look forward to providing you with an improved and seamless experience in our recreation programs!

Sincerely,
The City of Satellite Beach Recreation Team
